PROFESSIONAL EXPERIENCE

Software Engineer → Tech Lead

Activalink

Sep 2023 – Present

Alcoy, Spain

- Designed an **invoice OCR system** that cut daily processing from 4h to 30min (-87%)
- Built a **logistics module with interactive map**, eliminating 60% of tracking errors
- Developed an **automated reconciliation engine** that reduced month-end close from 3 days to half a day
- Created **financial dashboards** that uncovered unbilled invoices, recovering significant revenue
- Led **end-to-end CRM implementations** for multiple clients: requirements, custom dev, and training
- Redesigned **Odoo module UIs**, cutting support tickets by 40%
- Lead a team of 3 engineers**: code reviews, sprint planning, mentoring, and architecture decisions
- Manage **cloud infrastructure**: Docker, CI/CD pipelines, Nginx, DNS, and zero-downtime deploys

Software Developer (Internship)

Activalink

Feb – Jul 2023

Alcoy, Spain

- Developed custom Odoo modules (Python + XML) shipped directly to production
- Full development cycle: analysis, implementation, testing, and deployment

FEATURED PROJECTS

Smart Google Review Responder *Python, OpenAI API, Google Business API*

AI-powered service that generates personalized responses to Google My Business reviews while maintaining brand voice consistency.

HACCP Temperature Control System *Next.js, React, PostgreSQL, Docker*

Digitizes restaurant temperature logging with automated report generation for health inspections.

Personal Finance Manager *React, Node.js, PostgreSQL*

Interactive dashboard for income/expense tracking with visualizations and smart categorization.

TECHNICAL SKILLS

Languages Python, JavaScript, TypeScript, SQL, HTML, CSS

Frameworks Odoo, React, Next.js, Node.js, Vue.js

Databases PostgreSQL, MariaDB

Infrastructure Docker, Nginx, CI/CD, Linux, DNS

Tools Git, GitHub, VS Code, REST APIs

Methodologies Agile, Scrum, Code Review, Technical Leadership

EDUCATION

B.Sc. in Computer Engineering

Universitat Politècnica de València (UPV) — Specialization in Computer Engineering

2019 – 2023

LANGUAGES

Spanish — Native

English — B2 (Upper-Intermediate)
